RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Sir:

Applicants respectfully submit this Response in reply to the Notification of Missing Requirements ("Notice") issued by the U.S. Patent Office on September 6, 2005 in connection with the present application. As indicated below in further detail, Applicants believe that the requirements under 35 U.S.C. §371 have been satisfied.

Applicants filed the present application on April 29, 2005.

On May 16, 2005, Applicants received a date stamped postcard from the Patent Office indicating receipt of the application papers that were filed on April 29, 2005 regarding the present application. All papers identified on the postcard were indicated as received. A copy of the date stamped postcard is attached hereto as Exhibit A.

As indicated on the postcard, Applicants submitted the Executed Declaration and Power of Attorney on 3 pages ("Declaration"). Again, the date stamped postcard indicates that the 3 pages of the Declaration were submitted with the Preliminary Amendment and other filing papers on April 29, 2005. A copy of the Declaration filed on April 29, 2005 is provided herewith as Exhibit B. Therefore, Applicants believe that the Declaration was previously submitted with the application as indicated above and further that no surcharge fee in the amount of \$130 be required, and thus should be entered for examination purposes regarding the present case.

Further, the Notice indicates Applicants need to submit \$800 as an additional claims fee. Please note, Applicants gave permission to the Director to charge any additional fees which may be required to Deposit Account No. 02-1818 at the time of filing. If these additional fees have

not been charged to our deposit account, Applicants, once again, give permission to the Director to charge the additional claims fee in the amount of \$800 to our Deposit Account No. 02-1818.

Accordingly, Applicants believe that the requirements pursuant to 35 U.S.C. §371 have been satisfied as of April 29, 2005, namely, the date on which the executed declaration associated with the present application was filed.

If any additional fees are due in connection with this application as a whole, the office is authorized to deduct said fees from Deposit Account No. 02-1818. If such a withdrawal is made, please indicate the Attorney Docket No. (112857-447) on the account statement.

Applicants respectfully submit that the present case is ready for examination purposes, and further, request that an early and favorable examination on the merits be made. If the Patent Office should have any questions regarding this Response, Applicants kindly request that the Patent Office contact the undersigned attorney of record directly, Thomas C. Basso, at (312) 807-4310 to discuss same and in a further attempt to bring a prompt resolution to this matter.

Respectfully submitted,
